English(B1)

interests

Music, Travel, Gym, Boxing, K-1,
Programing, Gaming

Profile

What I can do and what I am learning:

- I create websites using **HTML and CSS**.
- My first website was built for a **Minecraft server** and included key information about the game, the server, and the developers.
- The second website featured a **dynamic background**, a **search system**, and links to accounts and other websites.
- I develop **2D games and applications in Python**.
- I am learning **SQL, HTML, and CSS**, and I also plan to study **JavaScript** and **PHP** in the near future.
- I actively use **Microsoft Office** to work with documents, presentations, and spreadsheets.

Personal qualities:

- Responsible
- Determined
- Persistent
- Quick to learn new things
- Analytical thinking
- Learning skills
- Listening skills
- Adaptability

Experience

Volunteer

NNP

Czestochowa

I participated in charitable activities, including **raising funds to support children with disabilities**.

Education

Computer scientist, web programming

Zespół Szkół im. Wisławy Szymborskiej w Częstochowie

2022 - 2027
